Preface

IN PRESENTING to the public the Plainfield-Westfield Directory for 1911, we hope we have succeeded in producing as accurate a book of this description as is possible.

We have made a thorough and efficient house-to-house canvass, and no one can appreciate, but by actual experience, the difficulties which constantly arise in procuring the information for a book of this kind.

But by bringing into execution the methods learned by many years' experience, we believe we have reduced the possible errors to the lowest minimum.

Thanking the public and our many patrons for the kind support they have extended to us, we remain

Yours respectfully,

WAND DIRECTORY CO.,
